

January 2025 CSE 316
Online on the 8086 Assembly Language
Subsections: A1

You need to print the following pattern. You must take input (n) from the user. Where the input (n) will be, $0 < n < 10$.

For n=3

```
###1  
##12  
#123
```

For n=4

```
####1  
###12  
##123  
#1234
```
